TRIBAL WELFARE

Introduction

The Directorate of Tribal Welfare was bifurcated from the Directorate of Adi Dravidar and Tribal Welfare Department with effect from 01.04.2018. The Government of Tamil Nadu is paying special attention for the development of tribal people in 23 Districts where Scheduled Tribes concentration is more. The prime objective of the Government is overall improvement of Education, Health and Socio Economic status of tribes and also to reduce the gap between tribes and non tribes. Basic needs like provision of drinking water, link roads to the tribal villages, construction of houses and other infrastructural requirements are given special focus.

In Tamilnadu, **Tribal Sub Plan** has been implemented since **1976-1977**. It is a part of State's annual plan and constitutes about 1.1% of the annual plan in proportion with the population of scheduled tribes in the State. Under Tribal Sub Plan, all departments allocate funds to implement schemes for tribal welfare, infrastructure improvement of tribal areas, and to create livelihood opportunity for tribals. Tribal Sub Plan ensures that resources spent for the benefit of scheduled tribes is atleast in proportion to their population.

Under **Special Central Assistance to Tribal Sub Plan (SCA TO TSS) (Now the scheme name has been renamed as Pradhan Mantri Aadi Adrash Gram Yojana.)** 60% of the funds are utilized for income generating activities and 30 % of funds are utilized for infrastructure facilities and remaining 10% of funds are utilized for creating employment opportunities for tribal people. 10% to create employment opportunity under Tribal Sub Plan Centrally sponsored scheme. (SCA to TSS)

The Government have identified 10 **Integrated Tribal Development Programme (I.T.D.P)** areas covering 7 Districts Viz., Salem (Yercaud, Pachamalai, Aranuthumalai and Kalrayan Hills), Namakkal (Kolli Hills), Villupuram (Kalrayan Hills), Tiruvannamalai (Jawadhu Hills), Tiruchirapalli (Pachamalai Hills), Dharmapuri (Sittheri Hills) and Thirupattur (Jawadhu and Yelagiri hills) where Tribal population is 50% or more than the total population to implement all the tribal welfare Schemes.

In order to Provide infrastructure facilities in Tribal areas, maintenance of Tribal Residential Schools, necessary funds have been provided under **Article 275 (1) of the Constitution of India.**

Out of the 36 Tribal communities in Tamilnadu, 6 Tribal Communities i.e. Toda, Kota, Kurumbas, Irular, Paniyan and Kattunayakan population is neither decreased nor increased and remain static. Hence they are classified as **Particularly Vulnerable Tribal Groups (PVTGs)**. Government is focusing more on the social, economic and education development of the six tribal groups through PVTG Scheme. Construction of traditional houses, Schools, Brick Kiln, distribution of Milch Animals, provision of Drinking Water facilities, street lights, supply of Beehives, Vehicles, Fishing Nets, Two Wheelers, Providing Bore wells etc., are some of the welfare oriented works done under the scheme.

Under **Comprehensive Tribal Development Programme**, Land development activities, improvement of Katcha Houses, construction of Community Halls, road work, improvement of infrastructure in Government Tribal Residential Schools, provision of drinking water facilities, free 3 Phase Electricity connections, economic development schemes and training skills are implemented.

Tribal Research Centre (TRC) was established in the year 1983 with the assistance of Government of India at Muthorai Palada, Udhamandalam in the Nilgiris District, for data collection about the Tribes and to conduct necessary research about their life style, culture, language and socio economic and educational status. A Director, who is specialized in Anthropology is heading TRC. A Library and a Tribal Museum have been setup in which the tribal and photographs artifacts on the life style of the tribes are displayed.
