ABSTRACT

Public Services - Tamil Nadu Statistics Service - Post of Joint Director of Statistics - Adhoc Rules - Amendment Issued.

Planning and Development (Statistics) Department.

READ:

ORDER:

According to the Adhoc Rules for the Post of Joint Director of Statistics prescribed in the Government Order first read above, appointment to the post of Joint Director of Statistics shall be made by promotion among the holders of the post of Deputy Director of Statistics. One of the conditions prescribed in the adhoc Rules is that no officer shall be eligible for appointment as Joint Director of Statistics, unless he has actually served for a period of not less than five years in the Statistics Department. The period of service of five years prescribed in the adhoc rules does not specify as to whether it should be in the post of Deputy Director of Statistics or in the Service in any post in the Department of Statistics. The question of deleting the rule relating to the service qualification of 5 years in the Statistics Department was examined in consultation with the Commissioner of Statistics.

2. The proviso under rule 3 of the adhoc rules governing the post of Joint Director of Statistics was laid down with the intention that the Deputy Director of Statistics appointed by promotion should have rendered atleast 5 years of service in that particular post and that the Deputy Director of Statistics appointed by recruitment by transfer from other service should not be considered for inclusion in the panel before they complete 5 years of service in the Statistics Department. The Commissioner of
Statistics has, therefore, considered that it is reasonable to delete the said provision in the adhoc rules for the post of Joint Director of Statistics.

3. The second proviso under rule 3 of the adhoc rules insists that no officer in the category 2 (viz., Deputy Director of Statistics) of the Tamil Nadu Statistics services shall be appointed to the post of Joint Director of Statistics unless he had a minimum of one year service after such appointment before retirement on superannuation. The Commissioner of Statistics has stated that for the Deputy Director of Statistics to get his name included in the panel for the post of Joint Director of Statistics, one has to serve normally at least 28 to 30 years in the lower categories. This proviso may perhaps restrict Deputy Director of Statistics at the fag end of their service to get promotion to the post of Joint Director of Statistics, in case they do not possess a minimum of one year service though they had put in long years of service in the Department. He had therefore, added that such of those persons may at least have mental satisfaction if such a blockade is also deleted from the adhoc rules so that their cases will not get affected when their turn comes. The Commissioner of Statistics has, therefore, suggested that the second proviso under rule 3 of the adhoc rules and the explanation there under may also be deleted from the adhoc rules.

4. The Government after careful examination have decided, that a minimum of two years of service in the category of Deputy Director of Statistics be prescribed for promotion to the post of Joint Director of Statistics and that the first proviso to Rule 3 of adhoc rules relating appointment to the post of Joint Director of Statistics be amended to as to provide for a minimum period of two years service in the post of Deputy Director of Statistics. They have decided to delete the Second Proviso prescribing at least one year of service before retirement for appointment to the post of Joint Director of Statistics. They have also decided to retain the Explanation under rule 3 of the adhoc rules.

5. Accordingly the Government have decided to issue the following amendments to the adhoc rules issued in the Government order first cited. The following Notification will be published in the Tamil Nadu Government Gazettee:-
NOTIFICATION

In exercise of the powers conferred by the proviso to Article 309 of the Constitution of India, the Governor of Tamil Nadu hereby makes the following amendments to the rules published with the Forest and Fisheries Department Notification No.SRO.B.352/79 Dated the 6th July 1979, at pages 431-432 of Part III Section I (b) of the Tamil Nadu Government Gazette dated the 25th July 1979.

AMENDMENTS

In the said rules in rule 3, in sub-rule (2), (i) for the first proviso the following proviso be substituted, namely:-

“Provided that no officer in category 2 of the said service shall be considered for inclusion in the panel of officers fit for promotion to the post unless he has actually served for a period of not less than two years in the post of Deputy Director of Statistics”.

ii) the second proviso shall be deleted.
