ORDER

In the present adhoc rules for the post of Head of Divisions, State Planning Commission the posts have been specified sector – wise and it has further been stipulated that the post should be filled up on transfer from Government Service. The Head of Divisions has also so far been on sectoral basis and even the sectors had been rigidly specified. It can as well be on the basis of Planning functions like Head of Division (Perspective Plan), Head of Division (Evaluation), Head of Division (Monitoring) and so on. It is now felt that it should be better not to specify in the rules themselves the post as Head of Division (Agriculture & Irrigation), Head of Division (Industries, Power & Transport) etc., but to have one common category of Head of Division who can be organised either on convenient sectoral basis or functional basis. It is also not necessary to restrict the choice of personnel to only Government Service. The existing scheme of things has not ensured the best talent being made available to the Planning Commission. It is necessary to get the talented persons from other organizational like Government Corporations, Universities, Research or Study Institutes and even from Private organisations for the Commission. It is, therefore, proposed to have one common adhoc rule for the post of Head of Divisions in the State Planning Commission to achieve the object in view.
