ORDER:

In the Government order first read above, the special Rules for Tamilnadu Agricultural Service were last revised and issued. Consequent on the formation of Agricultural University in June 1971, the teaching posts and soe"of vhe research posts along with Research Stations, which were covered by the Special Rules for Tamilnadu Agricultural Service, were transferred to the Tamilnadu Agricultural University. Such posts which are not now in the Agriculture Department have to be deleted from the existing Special Rules for Tamilnadu Agricultural Service. Further the posts of Deputy Agricultural officers and Assistant Engineers(Agrl.Engg.) in the Agriculture Department which were gazetted and which now come under Group B will have to be brought under State Service. The designation of the post of District Agricultural Officer was changed as Divisional Agricultural Officer and later in G.O.Ms.No.1583, Agriculture, dt. 11.8.80, the post has been redesignated as Assistant Director of Agriculture. The post of Deputy Agricultural Officer held by degree holders has been redesignated as Agricultural Officers. In view of the above changes and also in view of subsequent amendments issued to the existing special Rules, it has become necessary to revise and reissue the Special Rules for Tamilnadu Agricultural Service again. It has also been decided that the existing Special Rules for Tamilnadu Agricultural Service be split up into three different service rules viz. Tamilnadu Agricultural Extension Service Rules, Tamilnadu Agricultural Research Service Rules and Tamilnadu Agricultural Engineering Service Rules, so as to constitute separate service for each of the three branches in the Agriculture Department. Accordingly the Director of Agriculture submitted proposal to Government for framing three separate service Rules. The draft special Rules have been examined in consultation with Tamilnadu Public Service Commission and the suggestions, wherever accepted, have been incorporated.

2. The Tamilnadu Public Service Commission has also suggested that the Assistant Director of Agriculture to be appointed both by direct recruitment and by promotion may be brought within the purview of the Commission. The Government accept the suggestion and accordingly direct that the appointing to the post of Assistant Director of Agriculture both by direct Recruitment and by promotion shall be done by selection by the Tamilnadu Public Service Commission. Necessary amendments to the Tamilnadu Public Service Commission Regulations 1954, will be issued separately by Government in Personnel and Administrative Reforms(Per.M) Department.

3. The Tamilnadu Public Service Commission has pointed out that the qualification " Agronomy" has been omitted and has requested whether the omission is international. The qualification "Agronomy" has been prescribed for the posts in the Research wing and the omission in Extension wing is international.

4. A number of temporary posts in the Tamilnadu Agriculture Department are governed by adhoc rules issued in various Government orders from time to time and these posts are in the Tamilnadu Agricultural Service. Consequent on the splitting up of the existing Special Rules for the Tamilnadu Agricultural Service into three separate services, these temporary posts have also to be brought into the respective new Special Rules. Separate action will be taken after issue of these Special Rules on this point.

5. The Tamilnadu Public Service Commission has also pointed out that G.O.Ms.No.1577, Public (Services), dt. 26.7.62, which specifies the programme of selection for posts in the various service requires modification consequent on the issue of these new Special Rules. Steps will be taken separately, by the Personnel and Administrative Reforms (Per.M) department to amend the programme G.O. as soon as the new Special Rules are issued.

6. The appended notification containing the Special Rules for the Tamilnadu Agricultural Extension Service as finally approved by Government will be published in the Government Gazette.

/BY ORDER OF THE GOVERNOR/

N. Hari Bhaskar,
Commissioner and Secretary to Government.

- 7.From the TNPSC, Lr.No.599 / BAI / 89, dt.24.1.91.

ORDER:

In the G.O. first read above, orders were issued among others, treating Market Committees as one Unit, for the post of Junior Assistant, Steno – typist and Typist and accordingly amendment to Special Rules for Tamil Nadu Agricultural Marketing Subordinate Service were issued. In the G.O. sixth read above orders have been issued that the rule of reservation in rule 22 of the General Rules for the Tamil Nadu State and Subordinate Service be made applicable for appointment by direct recruitment to the posts in the Tamil Nadu Agricultural Marketing Subordinate Service with effect from 5.7.89.

2.In the letter fourth read above, the Tamil Nadu Public Service Commission has suggested that the educational qualification viz., the Minimum General Educational Qualification has to be prescribed for appointment to posts in Category 1 by promotion from category 3 and the posts in category 3 by promotion from category 4 in the Special Rules for Tami Nadu Agricultural Marketing Subordinate Service in accordance with the instructions issued by Government in U.O.Note 2118 / 58-2, Public, dt.4.8.58, that a person who gets exemption and is appointed to the lower category of the service concerned cannot be promoted to the higher categories of the same service unless he acquires the qualification prescribed for those categories or unless the relevant rules are relaxed in his favour at every stage as the exemption

granted to him for appointment to the lower category of the service is valid for that particular post to which he was appointed.

3. The Director of Agricultural Marketing in his letter fifth read above has stated that Rule 2(e) of the Special Rules for Tamil Nadu Agricultural Marketing Subordinate Service specifies that promotion to category 1 (Superintendent of Market, Inspector of Licensed Premises and Manager) shall be made from the combined seniority list of persons in the posts in category 3 (Supervisor, Senior Clerk, Head Accountant) based on the date of their regular appointment in each post; but there is no mention in the said rules whether such combined seniority list should be prepared by taking into account the State as one unit or the Market Committee as a Unit. He has also stated that if the State has been made as a unit. it would lead to many practical difficulties in preparing the seniority list such as reverting the employees who are already promoted between the period from 17.11.81 to 5.7.89 and preparation of seniority list, entire revision of seniority list of all the employees in Market Committees all over the State etc. He has also reported that the each Market Committee, from the inception, had been following the rule 189 of the Tamil Nadu Agricultural Produce Markets Rules, 1962; by which, each Market Committee is a separate unit. He has also stated that the Market Committees are local authorities, constituted under the provisions of the Tamil Nadu Agricultural Produce Markets Act, 1959 and each Market Committee is a separate entity and that, it is better to adopt the old rules treating each Market Committee as a separate unit. In addition to this, the Director of Agricultural Marketing has stated that the efficient functioning of each Regulated Market depends upon the cordial relationship being maintained between the employees, the agriculturists and traders and an employee, in the local area, would be in a better position to understand the local conditions. He has also reported that the nature of work in a Regulated Market is such that it should be done beyond office hours and if an employees is posted outside the Market Committee area, it would affect the functioning of the Regulated Market. In view of this, the Director of Agricultural Marketing, in his letter fifth read above, has requested the Government that each Market Committee may be treated as a separate unit. However the subsequent Director of Agricultural Marketing has suggested for adoption of one unit.

4. The Government, after careful examination accept the proposal of Director of Agricultural Marketing for treating each Market Committee as a separate unit for the purpose of appointment etc. and also the suggestion of Tamil Nadu Public Service Commission indicated at para 2 above.

5. When each Market Committee has to be treated as separate unit for the posts under Special Rules for Tamil Nadu Agricultural Marketing Subordinate Service, the same has to be adopted for feeder categories of posts of Junior Assistant, Steno – typist and Typist in Market Committee under Special Rules for Tamil Nadu Ministerial Service. Accordingly, Government in modification of the orders issued in para 2 (iv) of G.O.Ms.No.978, Agriculture, dt.23.5.85, direct that each Market Committee shall be treated as separate unit for the purpose of appointment etc., Amendment to Special Rules for Tamil Nadu Ministerial Service will issue separately.

6. The following notification will be published in the Tamil Nadu Government Gazette.

NOTIFICATION
