INTRODUCTION

The Tamil Nadu Police was established in the year 1859. It has completed 150 years of dedicated service. Sesquicentennial year of the Tamil Nadu Police was celebrated in a befitting manner, various events like planting of trees, Sports, Patti Manrams and elocution contests were held. A new granite memorial was installed at the State Police Headquarters. A Commemorative Stamp was released on 30.11.2009.

2. The State did not experience any disturbance to Law and Order & public tranquility during the last year also. All festivals, major agitations, protests and VIP visits passed off peacefully. The labour and farmers’ front also remained calm. Natural calamities such as cyclones and floods causing heavy loss of life and properties especially in The Nilgiris district, were handled effectively.

3. The State police is continuing its efforts to keep the State free from terrorist attacks. Police contained smuggling of goods and prevented territorial intrusion. Constant coastal vigil resulted in the arrest of 10 persons including 7 Sri Lankan Tamils.
'Operation Barricade’ and Rakshak, joint exercises with Indian Navy, Coast guard and other Governmental agencies were conducted in July, 2009, January, 2010 respectively, to check and improve upon the efficacy of coastal security.

4. Prevention and detection of crime was given top priority. Value of property recovered was Rs.56.80 crores during the year 2009. Investigation of special crimes - video piracy, economic offences and organized crimes was given enhanced focus through vigorous enforcement of Special Acts. The Civil supplies CID wing detained 116 persons under the Prevention of Black Marketing and Maintenance of Supplies of Essential Commodities Act for the smuggling of essential commodities, especially rice to be distributed through the Public Distribution System.

5. In order to strengthen the Special Branch in the State, 600 posts in various categories were sanctioned additionally to this unit. 171 Sub-Inspectors (Technical) were newly appointed.

6. Under the Modernization of Police Force Scheme, infrastructure and capacity building were enhanced. Communication, office and security equipment, weaponry and vehicles were added.

I. ORGANISATIONAL STRUCTURE

7. The present Director General of Police is one of the first woman police officer in the country to
lead the police force. She is assisted by Additional Directors General of Police and Inspectors General of Police and other senior officers at various levels. The department has a sanctioned executive strength of 1,04,783. Annexure–I shows the organizational structure of the department.

8. The Inspectors General of Police in the North, West, Central and South Zones and all the Commissioners of Police, except Chennai city report to the Additional Director General of Police (Law and Order). The Commissioner of Police, Chennai City reports to the Director General of Police. Officers of the rank of Director General of Police / Additional Director General of Police head the Department of Fire and Rescue Services, Directorate of Vigilance and Anti-Corruption, Tamil Nadu Uniformed Services Recruitment Board, Police Housing Corporation Limited, Civil Defence & Home Guards, Civil Supplies CID & Department of Prisons.

II. LAW AND ORDER

9. The law and order situation in the State remained peaceful during the last year. There has been no major communal or caste conflict. Effective and pro-active action taken by the State Police on the law and order front, multi-pronged action against anti-social and rowdy elements, timely preventive measures initiated based on the inputs given by the State Intelligence Wing and effective handling of all
law and order situations, the State continued to be an oasis of peace throughout the year.

10. The caste oriented festivals and observance of various anniversaries of caste leaders and caste incidents, which would normally invoke caste overtones, passed off peacefully, due to effective preventive measures and elaborate bandobust arrangements. Agitations organised by various political parties and organisations, demanding rights to offer worship and participation in festivals in privately run temples at certain parts of the State, urging action against assault on Adi-dravidas and urging eradication of alleged prevalence of untouchability evils in certain parts of the State, were tackled effectively without allowing them to snowball into caste clashes or major incidents.

11. Elaborate bandobust arrangements were made during the agitations organised by various political parties on various issues including demand for rain relief, issuance of house site and land pattas, Mullai-Periyar dam, implementation of total-prohibition, protests against the price hike, Marine Fisheries Bill, Sri Lankan Tamils issue, etc., were deftly handled by the police. Similarly, the issues on the labour front were also tackled effectively leading to a peaceful industrial climate.

12. The work done by the State police during the Parliamentary elections in May, 2009, came in for praise by the Election Commission. By-elections to
seven Assembly Constituencies were peaceful due to the constant efforts of the Department.

13. The State remained peaceful on the communal front and was completely insulated from the activities of fundamentalist elements. The State Intelligence Wing closely monitored the activities of all proscribed fundamentalist organizations, which were detrimental to communal harmony in the State. Vinayagar Chathurthi idol immersion processions, went off peacefully, in all places especially in communally sensitive places at Dindigul and at Muthupet in (Thiruvarur district). Similarly, the 17th Babri Masjid demolition anniversary also passed off peacefully. Manitha Neethi Pasarai organised march past and public meeting at Dharasuram (Thanjavur District) on 15.08.2009, which was handled effectively without any untoward incident.

14. The activities of left wing extremists in the districts of Dharmapuri, Krishnagiri and Theni districts, were controlled by anti-naxalite operations, effective sealing of state borders, frequent combings in forests, greater vigil and close surveillance on the circulation of left wing extremist literature, implementation of welfare schemes, creation of employment opportunities in the backward areas and getting the co-operation of neighbouring states, thus making the State a difficult terrain for the extremists to gain foothold in the State. Chidambaram @ Dinesh @ Sivakumar @ Jeeva @ Vaithi, former Tamilar Pasarai
member, an accused, who was absconding for 19 years, was arrested in Chennai on 11.01.2010.

15. The activities of banned organisations such as Tamil Nadu Liberation Army and Thamizhaga Viduthalai iyakkam and the left wing CPI (Maoist) extremist organisations are closely monitored to preclude them from indulging in any activity prejudicial to the maintenance of law and order in the State.

16. In the wake of the recently concluded conflict in the island nation, police patrolling has been stepped up in the coastal districts and security arrangements strengthened. Thorough screening of refugees entering the State has been enforced to prevent the intrusion of Sri Lankan militants under the guise of refugees. The State Police, by activating its various wings has effectively curtailed the smuggling activities across the Palk Strait. Two cases of smuggling were reported and 10 persons were arrested during the year. Sayanthan and Jeyanathan, a British national of Sri Lankan origin, who were arrested for attempting to smuggle materials to Sri Lanka, were important among the arrestees. Out Board Machine engines, gelatins sticks, satellite phones, Global Positioning System, laptop, walkie-talkie sets, batteries, etc. were seized from them.

17. In co-ordination with the Coast Guard and the Indian Navy, the State police have intensified patrolling in the sea to prevent the attacks on the Tamil Nadu fishermen and to ensure that the
fishermen are not crossing the international maritime borders. The number of Sri Lankan Tamils refugee arrived in the State as on 17.03.2010 from January, 2006 is 24,695. About 70,000 refugee have been accommodated in 113 refugee settlements in the State. A close watch is maintained and intelligence is being collected by the Intelligence Wing personnel on the activities of these refugees to detect possible links with any militant groups. All the Sri Lankan Refugee settlements have been provided with adequate basic amenities and the required assistance for their sustenance.

DEATH IN POLICE CUSTODY

18. All the Commissioners and Superintendents of Police have been suitably instructed to maintain a close vigil and utmost care in handling the accused, while detaining them at the police stations for enquiry or interrogation. During the year 2009, five incidents of death in police custody were reported.

POLICE FIRING

19. Suitable instructions have been given to refrain from resorting to firing until absolutely warranted and instead take appropriate preventive measures by collecting advance intelligence while tackling law and order situations and to avoid panic reaction. There were eight unavoidable instances of police firing during the year 2009, of which two
pertained to riot control operations and six related to tackling dreaded criminals. (Annexure–II shows the details of number of persons killed in instances of Police firing for the years 2008 and 2009.)

III. CRIME TREND

20. The number of incidents of Property crime during 2009 is 21,297 as against 19,735 during 2008, an increasing trend as shown in Annexure–III. Tamil Nadu police has stepped up its efforts to combat and reduce crime. Out of the 21,297 property cases reported in 2009, 16,830 have been detected. Property crimes reported and detected for 2007, 2008, 2009 are shown in Annexure–IV. Properties worth Rs.56.80 crores were recovered as against Rs.80.26 crores lost during 2009. While the total number of IPC cases in 2009 has shown a reduction over that in 2008. The crime rate based on the population has shown a substantial decrease. This is indicated in Annexure–V. The details of cases reported, charge sheeted, under investigation and otherwise disposed of in respect of violent crimes of murder, attempt to commit murder, hurt and riots for the last three years are shown in Annexure–VI. Family quarrel, Wordy quarrel, Personal enmity and Love affairs are the major reasons for the occurrence of murders during the year 2009. The reasons for the murders that have taken place in 2007 to 2009 are shown in Annexure–VII.
CRIME AGAINST WOMEN

21. Crimes against women relating to Rape, Dowry Death, Cruelty by husband and his relatives and Molestation 3,492 cases were reported in 2009 as against 4,133 cases reported in 2008, thus, showing a decreasing trend. The details of cases reported, charge sheeted, under investigation and otherwise disposed of for the year 2007 to 2009 are shown in Annexure–VIII. Tamil Nadu Government has taken various steps to educate and create greater awareness among women about their legal rights through Women Helpline / Child Helpline and Counselling centers in all Women Police Stations to reduce crimes.

IV. TRAFFIC ACCIDENTS

22. A total number of 60,794 traffic accidents including 12,727 fatal accidents resulting in 13,746 casualties were reported in 2009. Over one crore vehicles are plying all over Tamil Nadu. In order to control the traffic accident, the Home Department is taking action in co-ordination with Police, Transport, Highways officials and District Collectors. Nearly 8 lakh vehicles were added during 2009. The number of traffic accidents as a ratio of vehicle population has decreased over the years 2007, 2008, 2009 as shown in Annexure–IX.
V. POLICE COMMISSION

23. The Third Police Commission headed by Thiru R. Poornalingam, I.A.S., (Retired) made 444 recommendations. The Government have examined the recommendations by constituting a High Powered Committee and accepted 278 recommendations made by the commission and orders issued for their implementation.

VI. MODERNISATION OF POLICE FORCE (MPF)

24. Modernisation of Tamil Nadu Police is a continuous process from the year 2001–2002. With the main objective of making the Tamil Nadu Police Force modern, efficient and people-friendly, the Government have initiated steps to modernize the police in a planned manner. Special emphasis is given to improve the capabilities in certain areas such as counter terrorism, cyber crimes, video piracy, organized crimes, operation against extremists, economic offences, etc. To achieve this objective, with the Central and State contribution the Government is facilitating the department to acquire modern equipment to improve the communication, mobility, computing, weaponry and thereby adequately equipping the police department to meet the present as well as the future challenges.

25. Tamil Nadu is a large State with a coast line of 1,076 Kms., and an estimated population of
6.65 crores as of 2009. With the available resources, the menace of Terrorists, Naxalites, Fundamentalists and Tamil chauvinists is kept under check. With the increasing activity of the Maoists, Terrorists and the Fundamentalists in the neighbouring States and at the National level, it is imperative that the police force should be strengthened and equipped to meet the challenges.

26. For the year 2009–2010, the Government of India has released a sum of Rs.60.67 crores and the State Government released a sum of Rs.20.22 crores totalling Rs.80.89 crores for Modernisation of Police Force Schemes. The details of Central and State grant from 2001 is shown in Annexure–X and Allotment of funds to various categories under MPF scheme is shown in Annexure–XI.

VII. WELFARE

27. To ensure that police personnel maintain a high level of morale, the Government have given priority to their welfare and initiated a number of welfare measures.

i) Public Grievance Redressal

The Government have ordered to conduct Grievance Day Meetings for public in Cities by Commissioners of Police and in Districts by Superintendents of Police on the first and third
Monday of every month from September, 2009 for the redressal of Public Grievances. Accordingly, District Superintendents of Police and Commissioners of Police are holding grievance day meeting from 01.09.2009. So far 9,535 petitions were received of which 5,510 grievances have been redressed.

The woman police accompanied by a Revenue Official, lawyer, Health worker, Teacher move to the villages in the district in a van fitted with a Public Address system, Colour Television, Video Cassette Recorder etc., to create awareness.

IX. SPECIAL UNITS IN TAMIL NADU POLICE

CRIME BRANCH CID (CBCID)

30. Started as a small unit of 37 Personnel in the year 1906, the erstwhile Madras Presidency Crime Branch CID has grown into a strong organization with 583 police personnel headed by an Additional Director General of Police. Apart from 34 Detachments, 7 Organised Crime Units and 4 Counterfeit Currency Wings are also functioning in various districts / commissionarates. Cyber Crime Wing, Anti-Trafficking Cell and Police Research Centre are the other Specialized Units. The main function of the Crime Branch CID is to investigate the cases entrusted by Government, Director General of Police, Tamil Nadu and Hon’ble High Court.
31. CB CID was entrusted with 155 cases for investigation during the year 2008 compared to 209 cases in 2009. In 171 cases, investigation has been completed and final reports have been filed. Unraveling the mystery of abduction and murder of Dr. Baskaran of Dindigul, solving of Paniyur Double Murder case, handling of large number of passport fraud cases, investigation of fertilizer scam and execution of 124 Non Bailable Warrants are the highlights and achievements during the year 2009. Several notorious accused were arrested in connection with counterfeit currency cases and efforts were made to improve the investigation of counterfeit currency cases by organizing periodical training programmes.

32. The Cyber Crime Cell of CB CID detected several important cases including an online lottery scam perpetrated by a gang of Nigerians. Cyber awareness training arranged by CB CID benefited 310 police personnel. With the ADGP, CB CID being nominated as the Nodal Officer for anti-human trafficking, several proactive steps have been taken to control the menace of Human Trafficking, earmarking 14 districts for focused attention, forming Anti-Human Trafficking Units in various districts etc, and arranging Training Workshop on anti-human trafficking measures for police officers of various districts. CB CID also busted an inter-state gang of transgender involved in kidnapping of a minor boy and forcing him to undergo a sex change operation for forcing him into prostitution. Matters relating to Interpol
were also handled efficiently and necessary assistance was provided to visiting investigating UK police team in a child abuse case.

33. The CB CID is the Nodal Police Agency in Tamil Nadu for interstate cooperation and has performed this role with aplomb and efficiency. Towards this objective, the CB CID organized a well attended Conference of the Director Generals of Police of Southern States on 25th July, 2008 at Chennai. Several crucial aspects of policing were discussed and important recommendations have been made during these high level conferences so as to enhance interstate co-ordination. One of the recommendations was to have an annual meeting of the heads of the CIDs of the Southern States and the first meeting of this kind was held at Bengaluru on 30th July, 2009. Inspired by this precedent, Kerala police also held a similar conference at Trivandrum on 4th August, 2009.

CRIME WING

34. The Crime Wing, headed by an Additional Director General of Police, consists of the following Wings:

i) Special Investigation Team (SIT) :- The team was constituted in CB CID, at Chennai, Trichy, Coimbatore, Madurai and Tirunelveli to investigate and prosecute all fundamentalist cases. The units are functioning under the supervisory control of IGP,
Crime (SIT) under the overall supervision of Additional Director General of Police, Crime. Each unit is headed by an Inspector of Police. The SIT has solved all pending cases including the Coimbatore Serial Bomb Blast cases, Imam Ali escape case, and Muslim Defence Force case.

**ii) Narcotic Intelligence Bureau (NIB) :-** The State NIB, CID, is headed by a Superintendent of Police, and assisted by 1 Additional Superintendent of Police, 12 Deputy Superintendents of Police, 16 Inspectors, 17 Sub-Inspectors and 126 other ranks. Each NIB unit has a jurisdiction extending from 1 to 4 Districts and an Inspector heads the unit. The State NIB is functioning under the overall supervision of ADGP, Crime assisted by IGP, Crime (SIT) and DIG, CB CID (SIT). In the year 2009, the NIB CID units of Tamil Nadu had detected 1,655 cases involving 1,667 accused and seized 2,040.050 Kgs. of Dry Ganja, 1 Kg. of Heroin, 2.550 Kgs. of Opium, 500 gms of Charas, 7,429.600 Kgs. of Green Ganja, all worth Rs.3.91 crores. During the year 2009, 24 Drug Offenders were detained under Tamil Nadu Act 14/1982.

**iii) Video Piracy Cell (VPC) :-** The cell is headed by 1 Superintendent of Police with a supporting staff of 1 Deputy Superintendent of Police, 6 Inspectors, 2 Sub-Inspectors and 16 other ranks. Initially, 6 units were formed at Chennai, Madurai, Coimbatore, Salem, Trichy and Tirunelveli. To cope up with the increased work load of collecting intelligence and
successful prosecution, 6 more units were formed on 06.01.2005 headed by one Inspector of Police each and the strength of existing units augmented. 6 new units were formed at Chennai-II, Vellore, St.Thomas Mount, Cuddalore, Virudhunagar and Dindigul. The unit is functioning under the supervision of a Deputy Inspector General of Police, CB CID (SIT), Inspector General of Police, Crime (SIT), Chennai and Additional Director General of Police, Crime, Chennai.

During 2009, a total of 2,204 cases were registered under different heads of offences like seizure of DVD / VCD /ACD cases, cable TV operator etc.

iv) Anti-Dacoity Cell :- The cell is headed by a Superintendent of Police and it is functioning under the control of ADGP (Crime), Chennai. The Cell collects information on Dacoity cases from the districts as well as takes up investigation in the cases referred to it by the High Court, by the Government and by the Director General of Police.

ECONOMIC OFFENCES WING (EOW)

35. Economic Offences Wing comprises Commercial Crime Investigation Wing (CCIW), Idol Wing and Economic Offences Wings-II (EOW-II - Financial Institutions). This unit is headed by an Additional Director General of Police, assisted by two Inspectors General of Police, one Deputy Inspector General of Police and three Superintendents of Police.
i) COMMERCIAL CRIME INVESTIGATION WING (CCIW)

Commercial Crime Investigation Wing, C.I.D., was constituted in 1971 as a specialized unit to investigate offences relating to misappropriation of funds in Co-operative Societies. Presently, offences perpetrated in 15 Co-operative departments are being investigated by the C.C.I.W.

During 2009, 143 cases have been registered and 135 cases including the old Under Investigation cases were charge sheeted. 88 cases were disposed off in various courts during the year 2009, of which 75 cases have ended in conviction, accounting for a conviction ratio of 85%. Of the 88 Non-Bailable Warrants' received in the year, 85 have been executed. Presently, the unit has a total of 56 Under Investigation cases and 1,285 Pending Trail cases in the whole of the state.

In 2009 CCIW-CID units have assisted the Co-operative Department to collect surcharges to a whopping amount of Rs.4,30,43,129.71. A total of Rs.2,66,000/- was collected as fine amount from the accused persons.

ii) IDOL WING

The Idol Wing CID was created in the year 1983 to investigate cases of i) theft of idols which are declared as Antiques; ii) theft of Idols which are more
than 100 Years old; iii) cases which have state-wide / inter-state remification, iv) theft of idols whose value is Rs.5 lakhs and more v) theft of idols which are of sensitive nature and which are ordered to be taken up by the State Government.

This unit, apart from detecting and investigating cases referred to it, is also monitoring cases of Idol thefts reported in the local police stations all over Tamil Nadu. Besides giving clues and useful instructions to the district police for the detection of offences involving idols, this unit is monitoring the functioning of the temple protection force.

During the year 2009, 12 idol theft cases were detected by Idol Wing-CID, in which 35 notorious accused were arrested and 32 Antique idols with a total worth of Rs.58.50 crores were recovered besides two invaluable Maragathalingams were also recovered. One Sanjive Asokan, a notorious offender who smuggled out Antique idols to USA and Hong Kong and his two associates were detained under Goondas Act.

iii) **ECONOMIC OFFENCES WING (EOW-II – FINANCIAL INSTITUTIONS)**

The Economic Offences Wing–II (Financial Establishments) came into existence with effect from 01.01.2000. The Hon’ble High Court of Madras, Chennai, in its order dated 29.09.1999, in Company Application Nos.479 and 480 / 1999 filed by M/s. Anubhav Plantations Limited, Chennai, ordered that a
special wing comprising persons possessing skill and capable of acting with a sense of urgency, headed by an officer not below the rank of a Police Commissioner, Chennai, be formed to deal with the cases against Non-Banking Financial Companies and Un-incorporated Financial Institutions which have collected money from public as deposits and thereafter defaulted in repayment. Based on the above direction of the High Court of Madras, the wing was formed.

The Wing also takes up investigation of other serious economic offences. The wing functions with a total strength of 383 personnel under an officer of the rank of Additional Director General of Police. Besides the Headquarter unit at Chennai, it has 15 field units at Kancheepuram, Cuddalore, Villupuram, Vellore, Trichy, Salem, Namakkal, Erode, Coimbatore, Karur, Madurai, Dindigul, Virudhunagar, Tirunelveli and Kanyakumari. One Inspector General of Police and two Superintendents of Police are supervising the work of the subordinates. During the year 2009, an amount of Rs.73.42 crores was refunded to 1,88,922 depositors. A very important achievement was that properties worth Rs.32.95 crores were attached after obtaining Government orders within a short span. This enabled the Competent Authority / District Revenue Officers’ to initiate auction proceedings of the attached properties, proceeds of which will be distributed to the depositors.
CRIME AND CRIMINAL TRACKING & NETWORKING SYSTEM (CCTNS)

36. The Government of India has formulated a 100% centrally sponsored scheme called “Crime and Criminal Tracking & Networking System” (CCTNS), by creating a Nation wide Information Technology enabled Network infrastructure to track Crimes and Criminals under the National Mission mode plan, to be implemented during the last three years in the 11th Five Year Plan period of 2009 – 2012. To implement this project in Tamil Nadu, the Government of Tamil Nadu has already entered into a Memorandum of Understanding (MoU) with Government of India on 10.12.2009. The Inspector General of Police, State Crime Records Bureau has been appointed as the Nodal Officer for the implementation of the scheme. The Electronic Corporation of Tamil Nadu (ELCOT) has been designated as State Project Management Consultant (SPMC) to prepare Detailed Project Report (DPR) and Tamil Nadu Police Housing Corporation has been appointed as State Nodal Agency to get funds from the Government of India for the Scheme. XII. FORENSIC SCIENCES DEPARTMENT

79. Tamil Nadu Forensic Sciences Department is a fore-runner in the application of latest advanced techniques in the day to day analytical works of various investigating agencies. This aid-in-investigations has enabled the investigating agencies enhance their capability to deal with any challenges and also helped in solving mysterious as well as routine crimes. Tamil Nadu Forensic Sciences Department has also ably assisted the judiciary in proper dispensation of justice with the help of their expert advice and appropriate use of Science & Technology. Tamil Nadu Forensic Sciences Department examined 2,39,510 evidence materials associated in 62,770 numbers of cases registered in Tamil Nadu in 2009.

80. The State Government has provided liberal financial assistance for implementing the following programmes.

i) Additional Building

Accommodation had hitherto been a problem with Tamil Nadu Forensic Sciences Department. It has however been solved by the inauguration of the four storey building on 30.07.2008. In addition, a new library building at a cost of Rs.111 lakhs consisting of modern library, Auditorium and Museum is nearing completion stage and will be inaugurated soon.
ii) **Computerisation**

The work of computerization of this department has been completed. The process of computerization of the Regional forensic science laboratories is being carried out.

iii) **New Laboratories**

In this department setting up of a Narco Unit is underway and the process of signing Memorandum of Understanding with the directorate of Forensic Science, Gujarat in the final stage. Memorandum of Understanding with Institute of Mental Health, Chennai has already been signed and accommodation for this unit is in the process of being allocated in the new building. A full fledged Document Division, has already been established in the Regional Forensic Science Laboratory, Madurai, to cater to the needs of southern districts. The Government have sanctioned Rs.250 lakhs for the purchase of sophisticated equipments and required infrastructure for establishing a DNA division at regional Forensic science laboratory, Madurai. This would help to save the honour of innocent women victims, punish guilty men involved, in cases of disputed paternity of southern districts.

**STATE TRAFFIC PLANNING CELL**

Road Accident Data Management System Project:

has put State Traffic Planning Cell in-charge of Road Accident Data Management System (RADMS) Software, for on-line collection and analysis of road accident data in collaboration with Tamil Nadu Road Sector Project (TNRSP). District Traffic Data Management Teams (DTDMT) have been formed in each district / Commissionerate for monitoring and supervising the work of accident data capture and other related issues. STPC also has formed Resource Person Team (RPT) in each district. A team from STPC working under one Sub Inspector (Technical) has been imparting training to all Resource Person Teams of Districts/ Commissionerates to feed data in RADMS software so as to make it fully operational. Now, accidents data are being fed in RADMS software by Resource Person Teams which will be completed up-to-date soon.

POLICE TELECOMMUNICATION BRANCH

82. CAARUS Software captures the data and holds the data in the police station itself. Due to introduction of broadband in all the police stations, the CAARUS Software was further developed to export the data into the Central Server. The export software was installed in all the police stations of Chennai Suburban and trial tested for its functioning. Using this Software the senior officers can view the Daily Situation Report (DSR).

83. VHF to telephone patching gadget has been designed indigenously by the R&D unit of PTB.
25 such gadgets were assembled and introduced in all the districts (except in few districts where the Digital Microwave network is being established). Using this setup any officer can monitor the VHF Communication of any district using their Microwave telephone. They can also give instructions using the same telephone instrument, if needed which will be received through VHF in the districts. Three officers can monitor the district VHF Communication at a time. This facility will be useful for range DIG’s, Zonal IGP’s and ADGP, Law & Order for effectively monitoring the law and order situations from their desk.

CONCLUSION

84. The overall performance of the police force is impressive. The department shall continue to contribute towards providing effective governance which is essential for rapid industrial development, economic growth, and overall prosperity of the State.

85. An efficient police force plays a vital role in supporting the Government to achieve the primary objective of providing security to the common man, the underprivileged and the weaker sections of the society. The achievement of these objectives require not only rapid modernization of police force but also reorientation of attitude and proper sensitization. All efforts and initiatives in the police department shall be focused towards improving the functioning of the police, focusing on people-friendly approach in their
day-to-day work. This Government is confident that with planned and systematic efforts, the police force will achieve these objectives. This Government is committed to guide, aid and assist the police force to fulfill the aspirations of people.
