3. G.O.(Ms.) No.122, Planning, Development and Special Initiatives (SP.2) Department, dated 18.12.2019

ORDER:

The Sustainable Development Goals (SDGs) are a bold, universal agreement adopted by 193 Member States at the historic United Nations General Assembly Summit in September 2015 and came into effect on January 1, 2016. The 17 Sustainable Development Goals and its 169 targets are a part of "Transforming our World: the 2030 Agenda for Sustainable Development" for People, Planet and Prosperity.

2. As per orders issued in the Government Order first read above, a State Level High Power Committee has been formed to oversee the implementation of Sustainable Development Goals under the Chairmanship of Chief Secretary to Government. Eight Working Groups for all 17 Goals have been formed to carry out the activities related to Sustainable Development Goal implementation. Each Working Group is headed by the Secretary of Nodal Department. The Working Groups has in its Terms of Reference the Mapping of Goals and Targets, Developing monitorable indicators for each target, Collection of base line data and periodical data collection, Preparation of Vision Document, Capacity Building, Preparation of Annual Status Report on the progress, Convergence of resources for optimal use in achieving targets, Periodical review of targets and achievements, Reporting of achievements to High Level Committee, etc.

3. In the Government order 3rd read above, orders have been issued forming the Sustainable Development Goal District Level High Power Committee, Sustainable Development Goal District Level Executive Committee and District Level Sustainable Development Goal Cells in Districts for achievement of the Sustainable Development Goals.

4. In the Government Order 2nd read above, the Planning Development and Special Initiatives Department has requested the concerned departments to form a Unit [team(s)], by designating the appropriate officials responsible for monitoring and coordination of the programmes identified as critical for achieving the Sustainable Development Goals, that would assist the Department and strengthen it in work of the Department in relation to Sustainable Development Goals.

5. The Sustainable Development Goal Unit (Team) shall be responsible for the Terms of Reference as already issued for the Working Groups, in relation to the Department at State, Division/ District and Sub-District Levels. It would require that the Sustainable Development Goal unit consist of empowered, clearly identified, committed and dedicated team of officials and personnel including ministerial staff and Management Information System (MIS) Staff in the Department, who would be able to work not only within the Secretariat, in the Offices of Head of Department, but also work in coordination with other Departments and with the subordinate offices on the Sustainable Development Goals from time to time. It would require to be headed by a sufficiently senior official. At State level, it would need to be headed by the Head of Department under the Department concerned and Division/District Head at District level.

6. The team is to be formed as a Unit for the Work on Sustainable Development Goals with its other selected officials and personnel. There will be no additional post created for this purpose. The Sustainable Development Goal Unit [Team] of the Department is to work in close coordination with the Sustainable Development Goal Cell under Planning and Development Department, the Working Groups, State, District and field offices and other institutions working on Sustainable Development Goal, from time to time in furtherance of achieving the Sustainable Development Goals for the State.
