ORDER:-

In the Government order first read above, orders have been issued among others, the families evacuated and sheltered in relief camps are provided with a package of 10 Kgs. rice, one saree and one dhoti, one litre of kerosene and Rs.1000/-. 

2. While reviewing the restoration works being carried out in the "Gaja" cyclone affected areas, the Hon'ble Chief Minister in the Press Release second read above has instructed to issue additional 4 Litres of kerosene to all those families sheltered in the relief camps and also instructed to supply the actual entitlement of kerosene for the month of December 2018 to the "Gaja cyclone" affected villages through Fair Price Shops by the month of November 2018 itself.

3. In the letter third read above, the Commissioner of Civil Supplies and Consumer Protection Department has stated that the total quantity of kerosene required for distribution to these families sheltered in the relief camps is assessed to be 372 KL. The monthly allotment of kerosene to the State is 16148 KL only and this is not sufficient enough to the existing kerosene cardholders. In this circumstances, it is not possible to distribute the above requirement of 372 KL from the regular monthly allotment. Hence, an oral request was made to the Ministry of petroleum and Natural Gas and it was informed that the allotment of additional quantity of PDS Kerosene is not possible. However, the Ministry was ready to supply white
kerosene/Non PDS kerosene at nonsubsidized rate of Rs.53,810/- per KL (excluding 5% GST). Hence, to cater to the immediate need of the affected families it is requested that the additional quantity of 372 KL of kerosene to be distributed to the cyclone affected families sheltered in relief camps may be purchased from the Oil Marketing Companies at non-subsidized rate of Rs.53,810/- per KL and be made available to the affected areas.
