Sir/Madam,

Sub: Higher Education – Containment of Covid – 19 – Conduct of
Semester examinations in Universities and Colleges
including Polytechnic institutions – Directions issued - Reg.

*****

I am directed to invite attention to the reference cited and to state that the
Universities and Colleges under the aegis of Higher Education Department were
directed to remain closed from 17.03.2020 to avoid spread of Corona virus in this
State. Now, most of the Educational Institutions and Hostels have been identified as
Quarantine Centres, in case of emergency or any other contingencies.

2. In view of the above, you are requested to conduct the semester
examinations at the beginning of next academic year i.e. as and when the colleges
reopen and reschedule the semester examinations continuously, without giving
breaks in between and if necessary to conduct examinations in two sessions as
morning and afternoon. Necessary arrangements have to be made to publish the
final years results at the earliest. The date of re-opening the college will be
announced later. The educational institutions are directed to instruct their students
to prepare for the examinations during this period.

Yours faithfully,
