Read:

1. G.O(Ms)No.5, Health and Family Welfare (EAP II-2) Department, dated: 05.1.2018.
2. From the Mission Director, National Health Mission letter Ref.No.9282/SHS/S/2016, dated: 04.03.2019.

ORDER:

In the Government Order first read above, the Government have permitted the Mission Director, National Health Mission to utilize the State share of liquidation of arrears for infrastructure maintenance to the tune of Rs.4,65,25,000/- (Rupees Four crore sixty five lakh twenty five thousand only) to complete the civil works in 23 Primary Health Centres / Upgraded Primary Health Centres under National Health Mission and issued necessary revised administrative sanction orders.

2. In the letter second read above, the Mission Director, National Health Mission has stated that the National Health Mission has been funding for civil works for constructing new buildings to New Primary Health Centres and Upgraded Primary Health Centres and for providing additional facilities to Primary Health Centres and Government Hospitals in the State. Due to delay in finalization of site, new constructions could not be commenced promptly. Moreover for certain works, due to soil conditions of the identified site, additional works such as filling the low lying area has to be carried out in additional basement structures and the construction of structures in hilly areas. Hence, additional funds are required in excess of the approved amount for the civil works. Further, the revision of schedule of rates every year, the cost of works, which have not been started, goes on increasing and hence, the additional funds are required. However, the Government of India hasn't approved the proposals included in PIPs for additional funds. Necessary additional fund is required to complete the various works. Further, the Primary Health Centres which are functioning in temporary buildings with constraint space finds difficulty to deliver health care services effectively to Rural Population. In this regard, a detailed agenda vide No.12 had been placed in 31st Executive Committee meeting held on 07.11.2016 and the same has been approved to send necessary proposal to Government and to clarify whether the fund sanctioned for Infrastructure Maintenance may be used for civil works Revised Administrative Sanction. The Government have clarified that, the State may set aside 25% of any Centrally Sponsored Scheme (including the Central and State share for any given scheme in a financial year) as flexi fund to be spent on any component which is in line with the overall aim and objective of the approved scheme. Hence, the Mission Director, National Health Mission has requested to permit him to utilize funds of Rs.1373.93 lakh from the available funds, towards the provisions of

additional funds to 62 civil works under National Health Mission. Out of 62 civil works, orders have been issued to utilize the fund of Rs.465.25 lakhs from the available funds, for providing additional funds to 23 works in G.O. first read above. In respect of other 39 works, Public Works Department was referred for the approval of Tender Awarding Committee (TAC) and 13 works were approved. Besides, the Tender Awarding Committee approvals were also issued newly for 9 works, which are other than 62 works previously proposed by National Health Mission. Out of 22 works (13+9) for which Tender Awarding Committee approvals are issued, in which separate proposal has been requested for 16 works. Now, it has been decided to consider the provision of additional funds of Rs.979.31 lakh to 4 works. It is also decided to consider 2 works (22-20 (separate 16 works + above 4 works)) separately for provision of additional funds. Hence, additional funds aggregating to Rs.979.31 lakh to 4 works may be provided from available funds. As per the directions issued by the Executive Committee of State Health Society –Tamil Nadu, the Mission Director, National Health Mission has requested the Government to issue necessary orders in this regard.

3. The Government after careful consideration have decided to accept the proposal of the Mission Director, National Health Mission and accordingly issue the following orders:-
