ORDER:

In the letter second read above, the Managing Director, Tamil Nadu Urban Habitat Development Board has stated that Tamil Nadu Urban Habitat Development Board is the Nodal Agency for implementation of the Pradhan Mantri Awas Yojana (Urban) / Housing for All programme in Tamil Nadu. Accordingly it has been constructing storied tenements with infrastructure for water supply and sewage disposal for the various categories of beneficiaries as detailed below:-

Sl. No.	Tenements	Categories of Beneficiaries
(I)	Reconstruction of the dilapidated tenements in the existing tenements schemes.	A. Allottees of the dilapidated tenements which were demolished for reconstruction. B. Extended families of the allottees of the dilapidated tenements and other squatters in reconstruction schemes. C. Resettlement and Economically Weaker Section.
(II)	Construction of tenements in the existing slums where the families are living in huts. (In-situ Development)	Urban slum families for whom tenements are constructed in their existing places of living.

(III)	Construction of tenements on vacant lands in alternate locations to resettle the slum families living in objectionable locations / areas required for public welfare projects.	Families living in objectionable locations who are proposed for resettlement in the tenements constructed in alternate places. Urban poor / Economically Weaker Section families who do not have house anywhere.
-------	--	--

2. The funding pattern of the tenements constructed under Affordable Housing in Partnership project, ranges from Rs.9.50 lakh to Rs.13.00 lakh for each Dwelling Unit as indicated below from 01.04.2019 onwards (i.e) for the projects approved from 44th Central Sanctioning and Monitoring Committee (CSMC) meeting onwards:-

Sl.No.	Description	Unit Cost (Rs)	
		Minimum	Maximum
(i)	Government of India Grant under HFA	1,50,000	1,50,000
(ii)	Government of Tamil Nadu Grant /Institutional Finance	7,00,000	7,00,000
(iii)	Beneficiary Contribution	1,00,000	4,50,000
Total		9,50,000	13,00,000

3. However the Managing Director, Tamil Nadu Urban Habitat Development Board has further stated that the unit cost of tenements ranges from Rs.8.00 lakh to Rs.15.73 lakh in Chennai and Rs.7.92 lakh to Rs.11.64 lakh in other Towns. These tenements are being constructed adopting the following funding pattern:-

Sl. No.	Description	Unit cost (Rs. in lakh)	
		Chennai	Other towns
(i)	Government of India Grant under HFA	1.50	1.50
(ii)	Government of Tamil Nadu Grant / Institutional Finance	7.00	7.00
Total Government Grants		8.50	8.50
(iii)	Beneficiary's Contribution (Maximum amount based on the current projects)	7.23	3.14
Total		15.73	11.64

4. As per the funding pattern issued by the Government of India for Pradhan Mantri Awas Yojana (Urban)-Housing For All, the Beneficiary Contribution is to be remitted upfront before the allotment of tenements. The collection of Beneficiary Contribution upfront has become a challenge due to loss of livelihood of the Urban Poor caused by Covid-19. The beneficiaries pay prohibitive rent for their stay outside the scheme during the construction period, etc.,.

5. To resolve this issue, the Government in the Government Order first read above, issued orders approving the Beneficiaries Contribution to be

borne by the Beneficiaries / Agencies / Departments in respect of Affordable Housing in Partnership and Resettlement schemes as indicated below:-

Sl.No.	Description	Beneficiaries Contribution/Amount
(i)	Urban In-situ slum families /allottees of the tenements taken up for reconstruction.	10% of unit cost of tenement subject to a minimum of Rs.1.50 lakh for AHP schemes in Chennai and Rs.1.00 lakh for AHP schemes outside Chennai (i.e) other Towns.
(ii)	Resettlement of slum families from vulnerable locations	To be paid by the Agency requiring resettlement
(iii)	EWS families/ Encroachers in tenement schemes	Project cost (Less) Grants (GoI + GoTN)
(iv)	General:	The Project Implementing Agencies / land owning departments of the slums situated on vulnerable locations have to pay Project Cost Less Government Grants for the slum families relocated from such vulnerable locations.

6. However, while implementing the above orders, it was felt that the issues faced by the various categories of beneficiaries were not fully addressed. As a result, the beneficiaries have not paid their contribution and making agitations and protests. Due to this, the progress in allotment of tenements suffered a severe setback eventhough houses are ready for occupation.

7. Considering the practical difficulties in implementing the above orders, series of meetings were held under the Chairmanship of Hon'ble Chief Minister, Hon'ble Ministers and Chief Secretary and with Senior officials to resolve these issues. Subsequently in the meeting held on 06.12.2021 under the Chairmanship of Hon'ble Chief Minister certain decisions were taken, to fix the Beneficiary Contribution payable for various categories of tenements.
