Rural Development and Panchayat Raj (SGS-1) Department

G.O (Ms) No. 24

Dated:24.02.2017

Read:

- 1 G.O. (Ms.) No.46, Rural Development and Panchayat Raj (SGS1) Department, Dated 17.08.2011.
- 2 G.O. (Ms.) No.47, Rural Development and Panchayat Raj (SGS1) Department, Dated 15.06.2012.
- 3 G.O. (Ms.) No.98, Rural Development and Panchayat Raj (SGS1) Department, Dated 31.07.2013.
- 4 G.O.(Ms) No. 74, Rural Development and Panchayat Raj (SGS1) Department dated 25.6.2014.
- 5 G.O.(Ms) No. 64, Rural Development and Panchayat Raj (SGS1) Department dated 24.04.2015.
- 6 From the Director of Rural Development and Panchayat Raj, Letter No.82240 / 2014/RHS 1-1, dated 08.12.2016

ORDER:

In the Government order first read above, orders were issued for the construction of 3 lakh houses for a period of 5 years at the rate of 60,000 houses per year from 2011-2012 to 2015-2016 under the Chief Minister's Solar Powered Green House Scheme (CMSPGHS) and detailed Guidelines were also issued for the implementation of the Scheme. Subsequently, in the Government Orders second, Third, fourth and fifth read above, orders were issued for the implementation of the CMSPGHS for the years 2012-2013, 2013-14, 2014-2015 and 2015-2016 respectively.

2) In the letter sixth read above, the Director of Rural Development and Panchayat Raj has sent a proposal and pointed out that the allotment of houses has been reduced from 60,000 to 20,000 houses during 2016-17. On an average each village panchayat shall get less than 2 houses only. It will be difficult for any external agency to travel to far off villages, habitations to identify and install the Solar Home Lighting System. As such, the Rural Development and Panchayat Raj department would be in a better position to install the Solar Lighting System. Hence, he has proposed to procure and install LED Solar Home Lighting System through RD&PR Department with the specifications followed by TEDA during 2015-16 for speedy execution, better monitoring, repair and replacement of materials.
