2. Transportation and mobility are emerging as potential drivers of innovation and economic growth of the 21st century. Rapidly evolving technologies and business models for delivering mobility services have dramatic potential to transform the global transportation sector in the times to come. Mobility that ranges from pedestrian, personal transport, to public transit and freight movement is extremely critical and impacts every aspect of life in urban as well as rural areas. So far public transport initiatives have mainly focused on urban areas neglecting the last mile connectivity thus resulting in individuals to resort to personalised modes of transport which has led to congestion and vehicular pollution. To improve the Inter-District connectivity, futuristic requirements, support systems for existing forms of mobility, Multi-model integration and the like can be attended to in a systematic and co-ordinated manner. It would comprise of District level Departments that have a direct or indirect bearing on the mobility requirements of the residents in the District. Industry and Trade bodies, Academia, Non-Government Organisations in Mobility related matters and others will be a part of this effort.

3. The Government after careful consideration, have decided to form the working group on mobility at District Level, so as to facilitate seamless mobility in all modes in the District level and also to sort out the issues of travelling public then and there, under the Chairmanship of District Collector with the following members:-

The District Collector	- Chairman
The Regional Transport Officer	- Member/Convenor
The Chief Educational Officer	- Member
The Managing Director /General Manager of the Concerned Transport Corporation/Region	- Member
One representative from the Chamber of Commerce of the concerned District	- Member
One representative from the Lions Club/NonGovernment Organisation	- Member
One Representative from Taluk Levels/Panchayat levels	- Member

Any other Members invited by the District Collector

4. The Committee will meet once in 3 months. The Minutes of the meeting shall be sent to Transport Department within three weeks.
