ORDER:

In the letters read above, the State Commissioner for Differently Abled has stated that the Department of Economic & Statistics has carried out only sample survey on socio economic parameters. But the socio economic status of all beggars in the State has to be assessed to identify the beneficiaries and they have expressed their inability to undertake survey. As per the order of the Hon'ble High Court, the socio-economic survey of beggars has to be assessed, based on which rehabilitation measures have to be taken for the purpose of implementing the Tamil Nadu Prevention of Beggary Act 1945 and to construct beggar homes depending upon the population of beggars. Therefore, statistics regarding socio-economic survey of beggars is being conducted by District Differently Abled Welfare Officers in all districts through Non Governmental Organisations (NGO) and report the socio-economic survey of begging within 3 months. An amount of Rs.20/- has to be paid as remuneration for each identification of beggars. Initially each District has to be allotted a sum of Rs.10,000/- for identification of 500 beggars at the rate of Rs.20/- per identification. In total Rs.3,20,000/- (500 beggars x Rs.20/- x 32 districts = Rs.3,20,000/-) has to be allotted for 32 districts. He has therefore requested to accord administrative and financial sanction for Rs.3,20,000/- for conducting survey of beggars through NGOs in all districts.

2. After careful examination, the Government decided to accept the request of the State Commissioner for Differently Abled and to accord administrative and financial sanction for a sum of Rs.3,20,000/- (500 beggars x Rs.20/- per beggar x 32 Districts = Rs.3,20,000/-) towards conducting survey of socio-economic status of beggars in all 32 districts through Non Governmental Organisations (NGOs).
