ABSTRACT

Forests – Part –II Scheme – Forestry Extension Centre – Strengthening of Forestry Extension centres at a total cost of Rs.25.00 lakhs during 2013-2014 - sanctioned – Orders – Issued.

-----------------------------------------------

Environment and Forests (FR.6) Department

G.O.(Ms) No.82
Dated: 05.06.2013

ORDER:

The Principal Chief Conservator of Forests has stated that in the Forestry Extension Centres at Cuddalore and Namakkal Districts, there is no water source and that the nurseries are raised in private lands where water is available. He has also stated that the protection is a problem in private lands. Since there is enough space in Forestry Extension centres the digging of bore wells will ensure sustainable water supply to raise the seedlings in Forestry Extension Centres. Further purchase of electric motors, laying pipelines & power supply have also to be arranged. Overhead tanks have to be constructed in these two centres. Further, in Forestry Extension Centre, Salem an open well already exists and construction of an overhead tank is necessary there. For all these works a sum of Rs.25.00 lakhs is required as detailed below:
