ORDER:

In the Government Order first read above orders were issued to dispense with the recruitment to the post of Instructor and to promote all the incumbents in the post of Instructor to the level of Associate Lecturer as and when they acquire the qualification of B.E Degree with First Class.

2. In the G.O. second read above orders were issued revising the scales of pay and allowances etc., to the Teachers and equivalent cadres in Government and Government Aided Polytechnic Colleges governed by All India Council for Technical Education.

3. In the letter third read above, the Commissioner of Technical Education has stated that over the years, the State Government has revised the designations of the faculty in line with AICTE guidelines and most of the posts were created 30 years back. In order to fulfil the basic minimum norms as per new All India Council for Technical Education Regulations in respect of Teaching Staff of Government Polytechnic Colleges and Special Institutions, the Commissioner of Technical Education has requested the Government to accord necessary administrative and financial sanction:-

- (i) for the creation of 579 additional teaching posts for the Diploma Programmes in the 22 Government Polytechnic Colleges and Special Institutions, viz, 37 Heads of Department, 542 Lecturers;
- (ii) for surrendering 551 posts sanctioned for the Diploma / Post Diploma Programmes in the 22 Government Polytechnic Colleges and Special Institutions, viz, 16 Heads of Department, 198 Senior Lecturers, 35 Lecturers and 302 Instructors based on the new All

India Council for Technical Education Regulations 2011 and as per the orders issued in the G.O's first and second read above.

- (iii) for retaining 430 posts sanctioned for the Diploma Programmes in the 22 Government Polytechnic Colleges and Special Institutions, viz, 65 Heads of Department and 365 Lecturers in line with the new All India Council for Technical Education Regulations 2011; and
- (iv) for closing of 25 Courses viz, Diploma (2), Post Diploma (20) and Certificate Courses (3) in the 22 Government Polytechnic Colleges and Special Institutions due to lack of demand among the students and as no admissions were made in these courses.

4. In the letter third read above, the Commissioner of Technical Education has also stated that:-

- (i) The creation of 579 posts, retaining the existing 430 sanctioned posts and surrendering the 551 posts can be done in **two** phases i.e., during 2012-13 and 2013-14 as detailed below:-

<u>DETAILS OF TEACHING POSTS – SANCTION, RETENTION AND SURRENDER</u>

The posts proposed to be surrendered are **not** vacant and **cannot** be surrendered in one go. At present, there are 55 Faculty against the Instructor posts and 22 Faculty against the Senior Lecturer posts. Most of the Faculty shown against the Instructor posts was mainly due to the shortage of posts in Lecturer cadre. As per G.O. (Ms).No.111, Higher Education (C2) Department, dated 25.05.2010, except the post of Heads of the Department, all other posts, viz., Upgraded HOD, Senior Lecturer, Upgraded Senior Lecturer and Workshop Superintendent are considered as Lecturers. In view of the above, the existing Senior Lecturers are considered as Lecturers. The existing Senior Lecturers have to be fitted against the Lecturer post. Hence, the existing Senior Lecturers and the Faculty shown against the Instructor posts can be fitted in Lecturer posts only by the creation of new posts. Therefore, the creation of posts, retaining the existing sanctioned posts and surrender of posts has to be done parallelly institution-wise in a phased manner.
