- 2.G.O.Ms.No.204,Personnel and Administrative Reforms (Per.C)Department, dated 21.6.1993;
3. From the Director of Stationery and Printing, Madras Letter No.23099/T6/93, dated 22.2.1994.

.....

**ORDER:**

In the Government Order first read above, orders have been issued formulating a scheme with effect from the financial year 1992-93 to grant the following incentives to Drivers of the Government of Tamil Nadu, driving government vehicles who have rendered unblemished and accident-free service subject to satisfying certain conditions as laid down therein:-

- i. Award of small savings certificate for Rs.500/- to the Drivers who have completed 10 years of accident free service without other blemishes;
- ii. Award of Gold medals to the Drivers who have completed 20 years of accident free service without other blemishes.

2.In the Government Order second read above the Government have prescribed the following descriptions to be followed in the matter of manufacturing the gold medals for award to eligible drivers:-

- i. Medals                      ....                      22 carat gold

- ii. Weight ..... 4 gms.net, including hook and ring
- iii. Diameter and shape... Round shape with a diameter of 3 Cms. Central piece flat of appropriate thickness with a circular rim of diameter 2 mms. with one fixed round hook in gold, paralld to the plain of the medal, and a small circular ring of diameter 0.75 cm. with suitable thickness all in gold. (The ring is to run the riband). The ring is to run the riband). The hook should be fixed suitably on the rim at the top of the Government emblem.
- iv. Riband .. 70cm. long, 4cm.wide, silk or synthetic riband to hold the medal through the ring
- .v. Colours of .. To signify the colours of traffic signal, the riband may  
riband be tri-coloured with the colours red, orange and green, each to the extent of 1/3 rd of the width of the riband.
- vi. Design .. a. Obverse:
- Raised Tamil Nadu Government - Emblem
- with the words" " and
- " "in Tamil as in the approved  
version available with the Director of Stationery and Printing.

( b)Reverse:

Raised Wordings " "

in a circle in the centre on top half "

and on the bottom half - the name of the Driver

shall be engraved. The year of the award shall also be

engraved below the name of the Driver.

3.The Director of Stationery and printing who was authorised to arrange to supply the required number of medals by following the usual tender procedure has now reported that the manufacturer selected for supply of gold medals has

experienced some difficulties in manufacturing the gold medal with the above specifications within 4 grams and has suggested the following changes in specifications:-

observe: Raised Tamil Nadu Government Emblem in the centre with the words " "at the top of the inner circle and " "at the bottom of the outer circle the year e.g., 1992-93, engraved.

Reverse: The words "

" and the name of the of the Driver e.g.. "

at the centre, both engraved.

(v) Riband .. 70 cm. long, 4 cm. wide, silk or synthetic riband to hold the medal through the ring.

(v) Colours of riband .. To signify the colours of traffic signal, the riband may be tri-coloured with the colours red, orange and green, each to the extent of 1/3rd of the width of the riband.

(vi) Design .. (a) Obverse  
Raised Tamil Nadu Government - Emblem with the words " "and " in Tamil as in the approved version available with the Director of Stationery and Printing.

(b) Reverse:

Raised wordings " " 20 " in a circle. In the centre on top half " " and on the bottom half-the name of the Driver shall be engraved. The year of the award shall also be engraved below the name of the Driver.

4. The Government, after careful consideration, have accepted the above changes in specifications in engraving the name of the recipient in the centre instead of at the bottom on reverse side as well as the transfer of certain wordings from reverse to obverse subject to the following conditions:-

1. i. The diameter of the medal should be uniform. Manufacturer may choose appropriate diameter, not less than 3 cm. to accommodate the wordings, but there should be no variation between diameters of pieces manufactured.

- ii. The ring for riband should be a round one as already specified;
1. iii. The width of the rim should be 2 mm. as already ordered;
  2. iv. Net weight should conform to 4 gms. of 22 ct. gold as already specified;

v. Year of award may be engraved based on details applicable in each case.5.  
The Director of Stationery and Printing, Madras is directed to intimate the above changes in specifications with the said conditions to the Manufacturer and arrange to supply the gold medals to the indenting Heads of Departments/District level officers authorised in this behalf for prompt award of the medals.

(By order of the Governor)
